

Overview

The Government of Sweden, together with The Global Partnership to End Violence Against Children and WePROTECT Global Alliance will host Agenda 2030 for Children: End Violence Solutions Summit on 14 and 15 February 2018 in Stockholm, Sweden. Further details about the content, schedule and logistics can be found at end-violence.org/summit.

This note serves to provide guidance on the type of financial support available to delegations attending the Solutions Summit.

Funding of participants

The Government of Sweden is pleased to provide economy class plane tickets for Government Ministers from OECD DAC countries for travel to Stockholm. In addition, there will be a small amount of funding available for one economy class ticket for national CSOs registered to the Solutions Summit for travel to Stockholm.

Note: we are unable to provide DSA for the Minister or accompanying staff members' participation in the meeting.

Process to request travel funding: Request made through the UNICEF Country Offices

The Secretariat kindly requests Government Ministers and national CSOs to contact the UNICEF Country Offices to support with travel arrangements.

Please note that we will not be able to provide assistance with hotel arrangements or visas applications.
