

INSPIRE Seven Strategies to End Violence Against Children

A BICE x End Violence Event Series

March 2021

INSPIRE Seven Strategies to End Violence Against Children

These modules are aimed at practitioners from different sectors – notably social welfare, justice, telecommunications, education, health and planning – committed to addressing violence against children. The aim is to further mobilize BICE Members and other relevant partners on issues of violence against children, foster engagement in INSPIRE programs and provide technical skills related to implementing the approaches in INSPIRE Strategy areas. Participants will be encouraged to make links between these intervention areas and engage throughout the webinars.

- **Webinar 1 (March 3rd, 3pm Paris time):** *Induction to INSPIRE*, Sabine Rakotomalala, Global Partnership to End Violence Against Children.
