

COVID-19 Hidden Crisis
Violence Against Children

13 May 2020

COVID-19 Crisis

An unprecedented global emergency with profound child rights implications

Violence against children a “crisis within the crisis”

The Leaders' Statement

Establishes a united front for the protection of children

Sustains high level political commitments

Sets out an Agenda for Action

Taking forward the Leaders' statement:
Key interventions

1. **Positive Parenting** (e.g. Jamaica, Jordan..)
2. **Child Helplines** (e.g. Bangladesh, Georgia...)
3. **Continuity of child protection case management** (e.g. Ethiopia, Afghanistan...)
4. **Child Online Protection** (e.g. Philippines, Dominican Republic...)
