

New York, 11 December 2017

Dear Ms. Bissell,

I am pleased to inform you about the intention of Peru to be part of the "Global Partnership to End Violence Against Children", as a pioneer country.

The incorporation of Peru into this important initiative will allow our country access to technical assistance, knowledge generation and financing to improve strategies for preventing and responding to violence against children and adolescents, and also to show the best practices Peru has developed in order to comply with the implementation of the 2030 Agenda for Sustainable Development, particularly with respect to target 16.2.

Please find attached a document prepared by the Ministry of Women and Vulnerable Populations regarding the achievements of Peru related to violence against children and adolescents.

I avail of this opportunity to express the assurances of my highest consideration.

Gustavo Meza-Cuadra
Ambassador
Permanent Representative of Peru
to the United Nations
